

# ATTENTION, PLEASE!

You are advised not to bring any plants or plant products home in your luggage.

Let's prevent pests of non-native plants causing great economic and natural damage from entering Hungary and the European Union.

**With effect from 14 December 2019,**

all plants for planting (e.g. potted plants, seeds and propagating materials), fruits (e.g. apples, hazelnuts) and other plant products (e.g. wreaths and fresh herbs), including those carried in private individuals' luggage, can be imported from non-EU countries only if they have a phytosanitary certificate.\*

Plants and plant products imported without a phytosanitary certificate shall be destroyed by the competent authority.
